

VISITOR

The system that never leaves you on-site alone.

Welcome to our site. Please work safe.

With *Visitor*, you can now replace the traditional 'Sign In' book with an electronic self-registration kiosk. *Visitor* can now self-register users in a matter of seconds, freeing up reception staff time.

TIKS *Visitor* will also make your site compliant with our detailed site induction and evacuation report.

Features:

- ✓ Site Induction
- ✓ Photo capturing
- ✓ Log time of entry and exit
- ✓ Integration with third-party security access controllers such as CardEx (Gallagher)
- ✓ Generate evacuation report
- ✓ Export time and attendance data
- ✓ Print a self-adhesive visitor badge with barcode
- ✓ Scan badges to sign-out
- ✓ Notifications
